

Penn Trafford Football Booster Club, Inc.

Benefits of Membership

While it is important to each of us to know that our own children are benefitting, the primary benefit of membership is being able to share and play a role in the development and maturing of **all** of our student athletes and to take pride in what they are able to accomplish.

We encourage parents of all Penn Trafford football players from 7th to 12th grade to become members and help carry out the mission of the organization.

Our organization plays a vital role for the Penn Trafford football program. The financial support we provide through our fundraising activities provides support and opportunities to the players that would not otherwise be realized.

While the “cost per player” contributed by the Booster Club is higher at the varsity level than at the other levels, players at all levels benefit from the activities and funds made available through the Booster Club. The 7th and 8th graders of today are the varsity players of the future.

About Us

The Penn Trafford Football Booster Club, Inc. is a tax-exempt, non-profit corporation registered in the state of Pennsylvania.

Our Purpose & Mission

Our stated purpose, as a tax-exempt charitable organization, is to foster national and international amateur sports competition. We do this exclusively through our support of the Penn Trafford School District football program at both the high school and middle school levels.

Our mission is to help provide an environment within which our student athletes can:

- develop and refine their athletic skills,
- develop key character traits of commitment, sportsmanship, respect, and selfless contribution to their team and community; and
- succeed in their academic endeavors at both the secondary level and beyond.

We operate independently from, but in conformance with guidance and requirements of, the Penn Trafford School District, and in close cooperation with the district football program.

Carrying Out Our Mission

We carry out our mission by volunteering our time and resources and by providing financial support for activities that are consistent with our purpose. The financial support we provide is made possible through a combination of donations, fundraising activities, and membership fees.

Our contributions support the following activities for the Penn Trafford football program.

- Safety and training equipment;
- Strength training for Varsity/JV players;
- Game shoes for Varsity/JV players;
- Participation at pre-season competitive camps and events;
- Team meals during August training camp;
- Pre-game meals for Varsity/JV;
- Post-game meals for travel games;
- Travel gear (warm-ups) for Varsity/JV for away games.

We also:

- Fund scholarships for graduating seniors;
- Provide recognition for the student athletes to celebrate their team accomplishments

For a list of our activities, please to go our website at www.penntraffordfootball.org

Fundraising Activities

Our fundraising activities include, among other things:

- 50/50 and Game Program sales at home football games,
- Raffles, car washes and hoagie sales,
- Special fundraising events (i.e.; purse bash, Night-at-the-Races, etc.).

Members are expected to participate in fundraising activities and volunteer their time and talents.

Be on the lookout for our inaugural Golf Outing -- currently in the planning stage!!!

While the Penn Trafford School District strongly supports the football program, as well as the other athletic and non-athletic programs in the school district, funding for the items listed in this document would not be possible without the financial support of the Penn Trafford Football Booster Club. We appreciate the devoted efforts of our members and most importantly the strong support of our friends and communities throughout the school district who help make this possible.
